Vision Statement

Growing in faith by...worshipping God, loving all, joyfully serving others

*Covenant – We covenant one with another to seek and respond to the word and the will of God. We purpose to walk together in the ways of the Lord, made known and to be made known to us. We hold it to be the mission of the church to witness to the gospel of Jesus Christ in all the world, while worshipping God, and striving for the truth, justice and peace. As did those who came before, we depend on the Holy Spirit to lead and empower us. We pray for the coming of the kingdom of God, and we look with faith toward the triumph of righteousness and eternal life.*

## TO YOU, FROM PASTOR BARTLETT

We were beginning to reduce some of the restrictions of COVID when I started the combined interim ministry and pastoral ministry. Gradually we were able to get back to prior meeting status at the Meeting House including communion and traditional passing of the peace. We have had some younger families with children come to church during this period who have become active in Sunday School and are showing signs of reaching out to the community.

I have regularly attended all of the church meetings that I can in order to be advised of sick members and to provide encouragement. I have seen the LBS transfer leadership and continue to work effectively. Although we have had sickness in the Youth Fellowship leadership, we have continued to conduct outings and fellowship and devotional meetings. We sponsor a needy child, provide for the homeless, and recently completed a successful can drive to support activities.

During Holy Week we had a traditional Maundy Thursday Service and hosted an Ecumenical Good Friday Service that included representation from all the established Marshfield churches. During Lent we had a Lenten Bible Study led by joint Lay and ministerial leadership. The Youth conducted a successful Easter Sunrise Service on Burke's Beach that was attended by church members and community residents.

I have attended the business meetings of the church which would include Trustees, Deacons and Church Council.

As a church we have cooperated with one another to visit the sick in hospital, rehab and at home. We have provided and delivered meals to the Ritucci's in their recuperation efforts. Our congregation has had members with a number of successful surgeries and recoveries that have been answers to prayer.

I have attended Prayer Pals each week, recognizing that prayer is our access to God for blessings, petitions, and healings. Weekly calls are being made to our homebound church members, some of whom continue to minister by sending cards of caring.

I am working with the Trustees in the efforts to complete the purchase and installation of the replacement large Meeting House windows. Attention now is being given to advertise the church with sign banner, and mailings. Outreach ministries are being planned as we focus on getting our ministry into the community we serve. May God inspire and bless our future efforts of expansion of our leadership and our active membership.

As mentioned in my report, outreach ministries are critical at this time to further attendance and our ministry to the community, as well to find volunteers who will join in and support our efforts. I would like all of us to start thinking and planning summer activities that will meet this need. Creative outdoor services at public places or at homes in Marshfield are a consideration. Utilizing our music ministry outdoors as has been done in the Easter Sunrise service is another option. I was impressed with the power of our portable system that will be a great assist in these endeavors. I will be on vacation from 6/18/2022 to 7/3/2022, but will be glad to communicate by email or phone with those who have ideas about such ministries. I would like to return with my feet on the ground, ready to move forward in outreach ministries to and in Marshfield. I welcome all your thoughts and prayers as we move forward together.

Blessings to all!

Richard Bartlett  
Interim Minister

### **FROM YOUR DEACONS**

On May 22nd we welcomed Reverend Bob Jackson back to our pulpit. There were 84 people in attendance for this special service in which we performed our 2nd Baptism of the year. Three more baptisms followed on June 4th when Peyton, Charlotte and Emory Fey were baptized. (We have already surpassed our average number of Baptisms for the year!)

3 deserving students were awarded scholarships during the **May 29th** Graduation service. Congratulations to Russell McGrath, Sarah Murphy and Alyssa Titus. And Thank-You to Nancy Berberick and the Scholarship committee for providing these awards.

Our hard-working interim pastor celebrates his birthday on **June 12th** with his daughter, Stacey, beside him in the pulpit as worship assistant. After this Reverend Bartlett will take a well-earned 2-week vacation in June. We are looking forward to **June 19th** when our own Philip Drouin Jr. will be filling the pulpit for us on Father's Day. Please be on hand on **June 26th** when we celebrate Confirmation Sunday. Leah Murphy and Emma Verlicco will celebrate their Confirmation and become the newest members of the First Congregational Church in Marshfield and the first new members to join since 2018! Congratulations Leah and Emma!

Thank you to everyone who comes to our worship services and who join us online. Your presence is a great encouragement to us.

"Do not give up meeting together, as some are in the habit of doing, but encourage one another, and all the more as you see the Day approaching." Hebrews 10:25

### **FROM YOUR TRUSTEES**

After the special meeting where we voted to go ahead with the window replacement/installation project, we experienced a problem when trying to place the window order. Since we had started this bidding project for the windows, Anderson had since removed their 10' windows from their offerings. We tried for two weeks to get them to honor their original quote but unfortunately it was not something they could do. They offer a maximum of 9' windows but after some review with the builder and Trustees we decided it would be better to stay with the 10' to maintain the historical look.

We have decided to go with Pella our other serious competitor for these windows. Their price was originally higher and when we modified that bid for the tempered glass for safety, they were even higher. Fortunately they only required a 50% deposit up front the remainder when they were delivered – estimated next Feb/Mar timeframe.

We have raised the additional money for the windows by bringing in early the pledge for the whole window and installation and half of the matching monies. So to date we have raised \$67, 450 dollars with outstanding pledges of another \$13, 975.

This leaves us with a remaining balance of \$42,287. We pray that our remaining pledges due this week will reduce this even further. Our kick off for further fundraising with start in July. God blesses the generous and makes them even more prosperous.

Kind regards,

Your Trustees – Doreen Taylor, Greg Prendergast and Donna McCue

**HEAVENLY BOOKWORMS: MAY/JUNE 2022**

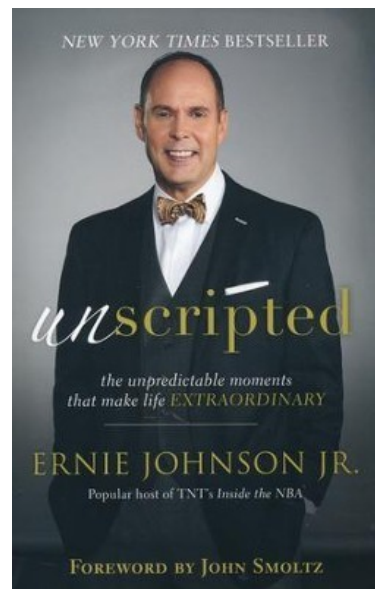

*Unscripted: The Unpredictable Moments That Make Life Extraordinary*

*By: Ernie Johnson Jr.*

Bookworms will extend its reading time for this autobiography of Ernie Johnson, Jr. A 3-time Sports Emmy Award-winner and host of TNT's Inside the NBA, Ernie provides a candid look at his life on and off the screen. From his relationship with his sportscaster father to his own success in broadcasting, from battling cancer to raising six children, including a special needs child from Romania, Ernie takes the lessons he learned from his father and passes them on to his children.

This is his untold story, the one he lived after the lights were off and the cameras not rolling. Sports fans, cancer survivors, fathers and sons, adoptive parents, those whose lives have been touched by a person with special needs, or anyone who loves stories about handling life's surprises with grace--Unscripted is for all of them.

Date for discussion of this book will be at their year-end cook-out (pot-luck) the end of June; date to be decided. There are a few of these books left for \$5 for those attending, which can be picked up from the counter (near front) in our library. Please place payment in the envelope provided. Call Georgia @ 781-361-1290 to rsvp, for more info, or to purchase a book for \$1 after June 30. Everyone is welcome at the cookout!

However, if you want to "own," a few copies of this book will be available after the discussion, for only \$1!

# confirmation

This year our confirmands are almost done. They have looked all year at the evidence for Jesus, his resurrection, and his divinity. At their Oaks Bluff retreat, Emma and Leah learned about Him. They are finishing "*The Case for Christ.*" Here is the evidence they have seen:

Chapter 1: Atheist and reporter, Stroble, tries to disprove Jesus was the savior described in the scriptures.

Chapter 2: "**Did Jesus really Think He was God?**": After intense investigation, he concluded Jesus said so.

Chapter 3: "**Was Jesus Crazy to Claim he was God?**" Stroble, along with world-renowned psychologists acknowledged to Strobel that Jesus did not exhibit even one of the clinical criterium for mental illness.

Chapter 4 : "**Did Jesus Match the Identify of the Messiah?**" the probability of anyone matching even 8 of the dozens of prophecies of Jesus' birth, crucifixion, resurrection, etc., is **one in 100 million billion!** Detailed descriptions of Him appear in scriptures written 700+ years prior to His birth.

Chapter 5: "**Can you Trust Christ's Biographies?**" scientist and Biblical scholars have certified The 1<sup>st</sup> four books of the New Testament to be authentic ancient, historical documents. When comparing more than 24,000 ancient transcripts, they found the number of variations in them were negligible, minor, and non-material, and all concluded Jesus was the Son of God. 5) The Bible is nearly-perfect historically, archeologically and geographically.

Chapter 6: "**Is There a Case for Christ outside the Bible?**" Jewish and Non-Jewish historians, believers and non-believers validated the Bible. No archaeological evidence, has disproved any of it. It has been recorded that Luke's references to 32 countries, 54 cities and 5 islands were found to be totally accurate.

Chapter 7: "**Did Jesus fake his Death?**" No one could survive a torturous flogging, a brutal crucifixion and spear impalement of torso Strobel and medical professionals throughout history believe Jesus died on the cross. Jesus did not

fake his Death.

Chapter 8: "**What happened to the Body?**" There was evidence His tomb was empty but none about stolen body. Many saw him alive 3 days after: some wrote about it. 4 gospels plus Acts, Romans and Paul's letters to early Christians record an empty tomb. Even Jewish temple leaders agreed. There was no evidence of grave robbing; Roman tomb guards saw no one take it. And, who would take it, anyway? Possibly Jesus' disciples to fool people into thinking he had risen, BUT they were hiding, paralyzed with fear of being arrested and crucified themselves. Too, consider that after seeing the risen Jesus, their character totally changed. Once afraid, now emboldened to risk death themselves to spread the message of salvation. Only 1 of the 12 escaped a violent death.

Chapter 9: "**What did Jesus Do after Easter?**" Paul reported in his letter to Christians that 500 witnesses had seen Jesus at the same time. They would have been available to discount any reports...no one did. Paul wrote He was raised from the dead. He appeared to women who came to the tomb, to others, to 11 Apostles and to Saul (Paul), as reported in the NT. The Bible has been scrutinized for centuries by believers and non-believers, and not any part of it been disproved. Could sightings have been a legend, hallucination, or wishful thinking? Legends do not have witnesses; hallucinations happen to individuals, not groups, and are caused by something; and wishful thinking does not account for a missing body, or cause people to risk their lives for beliefs they know are false. Fact 1: Muslims cannot prove that Allah showed himself to Muhammad; there were no witnesses. Fact 2: Hundreds of people, including the disciples, verified Jesus' life, death and resurrection, and their lives were drastically changed because of him. Even today, Christians are willing, and do, die to share his Word. Would you die for something you knew untrue?

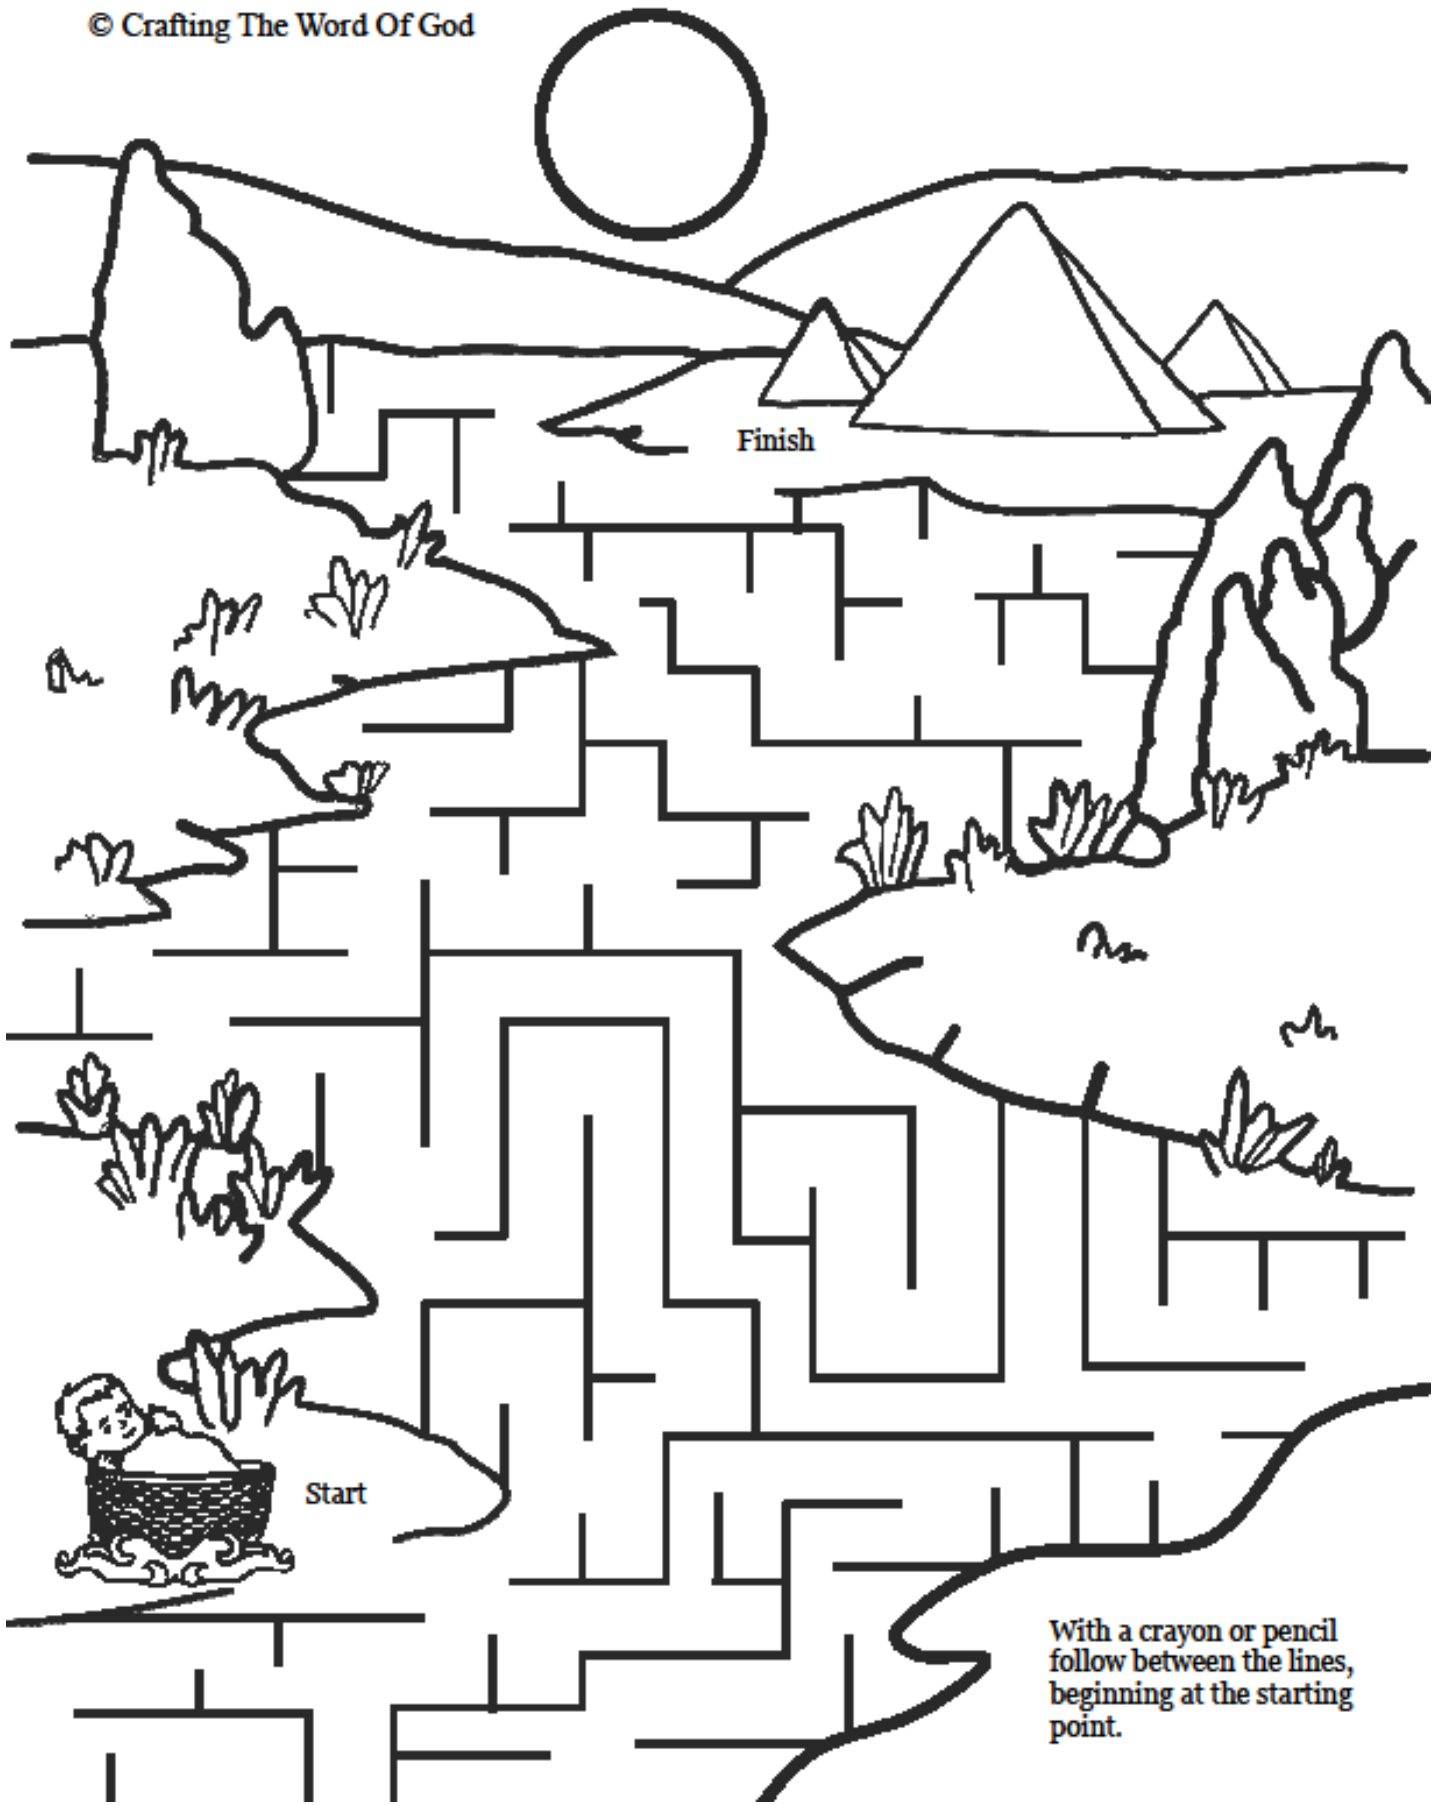

Confirmands have one more lesson before they profess their faith and formally join our church.

This will happen on Sunday, June 26. They hope you will support them at that service.

Here you will find either a fun cartoon or a Puzzle for you to try to complete  
(whether you are a kid in age or a kid at heart)!

With a crayon or pencil follow between the lines, beginning at the starting point.
